agreed by both parties, as attached as Annex A. If that pledge is not fulfilled or if the payment of the Client is delayed, the Contractor shall not have the obligation to commit to the aforementioned deadline; nor shall it have the obligation to respect it if the course of the work is delayed or modified for reasons that are only attributable to the Client; in this case, both Parties will have to agree on a new deadline. If said deadline is not extended or modified, the Contractor will be obliged to carry out the works within the established deadline. If the works cannot be completed on time due to any unforeseeable cause which is beyond control of either Party, the date of completion of the works shall be extended upon agreement in writing by both Parties.

- Entrance during construction: if necessary, during holidays and/or nighttime construction when the Client's representatives are not present, the Client shall temporarily issue an entrance key to the Contractor and shall return it after the construction is complete, observing the same due diligence as regards any loss or damage with the Client's property during the construction.
- Use of parking lot during construction: The Client shall provide a parking space for one vehicle for the contractor's work support in order to proceed with appropriate work. If a second parking space is necessary, this should be communicated to the Client at least one (1) day to prepare for the said request.

6. Penalty for delay. Subject to Clause 12, given the importance of fulfilling the deadline for the Client, which is a decisive reason for the awarding of the Contract, there shall be a penalty for delay, except in the case of natural disaster and unfavorable weather, which amounts to 0.10% of the total price of the works established in the Clause 3 and will be charged for every calendar day of delay from the specified date

of completion of the Contract. The Contractor shall be responsible for any damages caused by such failure to complete the works thereof.

7. Repair or Reconstruction of Defective Work. If, within a period of one year after final acceptance by the Embassy of the Project, any renovation or part of any renovation furnished and/or installed or constructed, or caused to be installed or constructed by the Contractor, or any of the work done under this Contract materially fails to fulfill any of the requirements of this Contract or the specifications referred to herein, the Contractor shall without delay and without any cost to the Embassy, repair, replace or reconstruct any defective or otherwise unsatisfactory part or parts of the improvements. If the Contractor fails to act promptly or in accordance with this requirement, or if the exigencies of the situation require repairs or replacements to be made before the Contractor can be notified, then the Embassy may, at its option, make the necessary repairs or replacements or perform the necessary work, and the Contractor shall pay the Embassy the actual costs of such repairs within thirty (30) days of the date of billing for such work by the Embassy.

8. Materials. The necessary materials for carrying out the works shall be provided by the Contractor, which pledges that all materials shall meet the construction requirements and material quality standards and amount.

The necessary materials for carrying out the works supplied by the Contractor shall be inspected by the Client or a representative of the Client prior to use.

If it is impossible to supply the contracted product due to the design, material change, etc. of the construction, etc., the details to be changed may be consulted with and with prior written approval of the Embassy and constructed as a product of the same price and

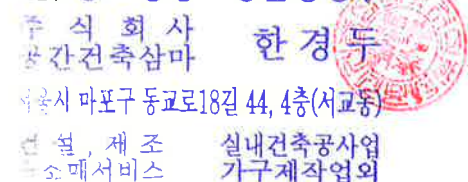

same quality. However, for this reason, the construction cost cannot be increased.

9. Contract Performance bond. In order to guarantee that the project will be carried out and completed within the deadline, the Contractor shall submit to the Client a performance bond policy for an amount of KRW 47,400,000 (Forty-Seven Million Four Hundred Thousand Korean won) equivalent to 3% of the Contract price as a guarantee and insurance obligation. The performance bond policy shall cover the whole period of construction and refurbishment until the completion of the work.

The contractor shall submit to the Client a performance bond policy before the first payment.

10. Maintenance Bond. In compliance with the obligations stemming from this Contract, and of the possible damages that could arise as a result of the failure of the Contractor's execution of works under the agreed terms and conditions of this Contract, the Contractor shall be responsible, for a period of one year (365 days) after the completion of works, of imperfections resulting from a poor execution of the works; the Contractor shall correct them without delay and shall be responsible for the cost incurred during the correction following a written notification by the Client. If the Contractor fails to carry out any such work within thirty (30) days after receiving the notification from the Client, the Client shall be entitled to carry out such work by its own workmen or to employ and pay to persons to carry out the same and all expenses consequent thereon or incidental thereto shall be recoverable from the Contractor, or may be deducted by the Client from any money due, or which may become due to the contractor or recovered from any of the Contractor's guarantees. The Contractor will not be responsible for damages caused by the people who live or work in the buildings, or by other persons who are not its agents. 86-02007

a. As an additional guarantee or bond for a period of 1 year after the last payment, the Contractor shall submit to the Client a Maintenance Bond issued by insurance company for an amount equivalent to 3% of the Contract price. Accordingly, the Maintenance Bond under the terms and conditions of this Contract shall mean the maintenance surety insurance issued by the “Korea Specialty Contractor Financial Cooperative (KSCFC)” equivalent to a total of KRW 47,400,000 (Forty-Seven Million Four Hundred Thousand Korean won). The Contractor shall maintain the validity of this guarantee for a period of one (1) year after the last payment.

b. In case that the Contractor fails to comply with the terms and conditions set out herein, resulting in actual losses legally, the Client shall have the rights to claim compensation against the Contractor. In case that the Contractor fails to pay the compensation, the Client may claim the Maintenance Bond against the Contractor in equivalent value as the losses caused by the Contractor. The Maintenance Bond is without prejudice to any other remedy the Client may have against the Contractor for a breach of this Contract.

11. Quality and Administration of the Works.

a. The Client shall designate Property Officer Anna Gabriella E. Guinto as representative/s to be responsible for dealing with the affairs related to the works, and the Contractor shall designate Mr. Han Geang Doo, as representative of Shammah Co., Ltd. to be in charge of the Premises, supervise the works, attend meetings related to the works as may be required by the Client and carry out the works strictly in accordance with the plan of the Maintenance and Refurbishment of the Embassy of the Republic of the Philippines in Seoul.

b. If any problem on quality and management arises, the Client shall inform the Contractor in writing through the Contractor's representative with a view to mutually solving the problem.

c. If there is a serious accident during the construction, the Contractor shall immediately report the accident to the Client in writing and the Contractor shall make its best effort to undertake all necessary measures to rectify the situation.

d. If, after the inspection by the Client, the Works fails to meet the requirements under this Contract due to the Contractor's violation of or non-compliance with any terms and conditions of the Contract, the Contractor shall be responsible for all losses and damage which may arise.

e. In the event that the Contractor does not actively respond to rectify defective quality or performance as may be agreed, this shall be considered a substantial breach of this Contract and cause for termination of the Contract or withholding of payment by the Client until the rectification has been done.

12. Final inspection, acceptance and maintenance.

a. The final inspection of the completed works shall be carried out by the Client before the last payment is paid.

b. If the Contractor cannot hand over the completed works on time, it shall be considered as overdue completion and, as a result, the Client is entitled to choose to exercise its right to either (a) impose fines on the Contractor as provided in Clause 6 until the Contractor hands over the completed works to the Client, or (b) terminate the Contract as provided in Clause.

13. Termination of the Contract.

- a. The Client shall have the right to terminate the Contract without paying compensation to the Contractor if the Contractor fails to comply with any provision of the Contract.
- b. The Contractor shall have the right to terminate the Contract without paying compensation to the Client if the Client fails to comply with any provision of the Contract.
- c. If the termination of the Contract is caused by either Party's fault, or non-compliance with the Contract, such Party shall be responsible to pay compensation to the other for losses and actual damage which may arise.

14. Addresses. As regards modifications and requirements, both Parties' addresses will be those shown at the beginning of this Contract. All notifications must be made by registered letters.

15. This Agreement shall be interpreted in accordance with the laws of the Republic of Korea and international law. In the event of any dispute or difference that arise between the parties in connection with the agreement, the parties shall exert their best effort to amicably settle such dispute or difference. If such dispute is not amicably settled within thirty (30) days from the first written notice, the parties shall explore other alternative modes of settlement valid under the laws of the Republic of Korea for its final resolution.

16. Obligation of the Contractor to comply with all relevant laws, rules and regulations, including securing necessary authorizations, permits and licenses with the concerned authorities, at its sole cost, for the completion of the works and services described in the agreement. Any liability, fine or penalty resulting from the breach of any law or regulations by the Contractor shall be its sole responsibility and shall not relieve it of its duties to perform its obligations under the contract.

17. Obligation of the Contractor to comply with Client's reasonable instructions and to keep the latter regularly informed on the progress of the works to be performed.
18. Neither party may assign and convey its rights to the agreement in favor of third parties without prior consent of the other party.
19. The parties agree that each party is an independent entity. Nothing in the contract shall be construed as to constitute any party to be an agent of the other, or to constitute an employment, a partnership or joint venture of any kind between the parties. The Client and Contractor mutually agree that there is no employer-employee relationship between the Client and the Contractor's and/or its subcontractor/s, their officers, employees, agents, representatives, and/or third parties.
20. The agreement constitutes the full understanding of the parties and supersedes any and all prior agreements, whether in written or oral form that may exist between the parties. Any alteration of the terms of the Contract shall be mutually agreed in writing by both parties.
21. Nothing herein shall be interpreted or otherwise cause the waiver or non-application of the immunities and privileges of the Client under international laws and principles.
22. All obligations, works and services to be performed by the Contractor shall be solely performed by it and shall not be outsourced or subcontracted without the Client's prior written consent. If the Client consents to such outsourcing or subcontracting, the performance by the Contractor's subcontractors or outsourced providers will be deemed the performance of the Contractor, and the

latter will be responsible for ensuring that such performance complies with the provisions of this contract.

23. The parties agree to keep all dealings, transactions, communications, correspondences, documents and records (Confidential Information) relative to the contract, whether acquired by either Party prior to, during, or after the consummation of the Contract, strictly confidential and subject to non-disclosure by both Parties to any third party without the prior written consent of the other Party. This obligation shall survive the termination of the agreement.
24. The Contractor will protect the surrounding area of the Embassy while carrying out the works. Once the works are completed, all materials that had been removed shall be brought back to their original position at the Contractor's own cost.
25. The Contractor shall be responsible for final cleaning of the works and removing of construction waste from the construction site to a designated disposal site in accordance with the Korean law. The Contractor shall be responsible for paying municipal deposit for construction waste management and municipal fee for placing building materials on the public road.
26. This Contract is done and recognized by both parties only in its English version.

AS PROOF OF CONFORMITY WITH WHAT IS STATED ABOVE, THE PARTIES ENDORSE AND SIGN TWO COPIES OF THE PRESENT CONTRACT.
